

## PRODUCT SPECIFICATIONS & TECHNICAL DATA

### GREASE MP-2 PREMIUM LITHIUM COMPLEX

**Reliant Grease MP-2 Premium Lithium** is versatile multi-purpose grease that can be used over a wide temperature range and under varied operating conditions. It functions well in all kinds of climate and weather. It is manufactured from a blend of select petroleum base oils and carefully chosen lithium soap. **Reliant Grease MP-2 Premium Lithium** maintains a strong adhesive and cohesive film of lubricating protection on any metal surface it comes in contact with.

#### PROPERTIES AND BENEFITS:

1. Water resistance; protects sensitive bearings and metal parts against water washouts.
2. Heat resistance; does not melt away and therefore, longer protection is assured.
3. Pump ability; dispenses easily especially in cold weather.
4. Mechanical stability; does not fall apart when subjected to mechanical agitation.

#### APPLICATION:

General chassis grease for automobiles, trucks, tractors, buses, earth moving equipment, and general industrial machinery.

#### TYPICAL ANALYSIS

NLGI Grade	2
Texture	Buttery
Thickening Agent	Lithium
Color	Amber / Blue
Consistency Worked	
Penetration @ 77 °F	265-295
Dropping Point °F Min.	389 675
Viscosity of Mineral Oil	
SUS @ 100 °F	
Timken OK Load lbs. Rust	40
Protection Viscosity Index	PASS
Oxidation Stability	93
	Excellent

The above analyses are typical inspections only and the finished product may vary from batch to batch.
